

Vredestein Limited Warranty – Your Confidence, Guaranteed

At Vredestein, we stand by the quality and performance of our tires. That's why every eligible Vredestein replacement passenger and light truck tire purchased from an authorized dealer in the U.S. or Canada comes with our Limited Warranty, designed to give you confidence on every journey.

Coverage Highlights

Trial Period Guarantee

100-Day Trial

Return a set of four within 100 days, 1,000 miles, or 2/32" treadwear — whichever comes first.

Applies to:

Pinza AT (P-Metric & LT*), Pinza HT (P-Metric & LT*), HiTrac, Hypertrac *LT versions not eligible for Road Hazard.

30-Day Trial

Return a set of four within 30 days, 500 miles, or 2/32" treadwear — whichever comes first.

Applies to:

Quatrac Pro+, Quatrac, Quatrac 5, Quatrac Classic, Wintrac Pro+, Wintrac, SnowTrac 5, Ultrac Pro, Sprint Classic, Comtrac Cargo A/S

Important Notice – Trial Period Returns

If you are not completely satisfied, you may return the full set of eligible Vredestein tires within the trial period for a credit of the full purchase price of the tires only.

All associated costs, including but not limited to mounting, balancing, installation, and any other labor charges, are the responsibility of the consumer and will not be reimbursed.

Treadwear Coverage

If your tires wear out before reaching the mileage stated in your warranty, Vredestein will offer a prorated credit toward a new set of equivalent Vredestein tires.

VREDESTEIN
TIRES

Requirements:

- Rotate tires every 6,000 miles (or as recommended by your vehicle manufacturer).
- Keep records of tire rotations and maintenance.
- For vehicles with different tire sizes on the front and rear axles (“split fitment”), rear tires are covered for half the stated mileage.

Limited Road Hazard Protection

If your eligible tire is damaged by a road hazard like a nail, pothole, or debris within the first year or before 2/32” of tread wear, we’ll replace it — free of charge.

This applies to select models only.

Valid for 1 year or until 2/32” of tread is worn, whichever comes first.

Workmanship & Materials

We guarantee the quality of our tires. If your tire has a defect in materials or workmanship and becomes unserviceable:

- Within the first year or before 2/32” of tread wear, it will be replaced free of charge.
- After that, but before it is fully worn (2/32”), you’ll receive a prorated credit toward a replacement tire.

Important Conditions & Exclusions

This Limited Warranty applies only if:

- You are the original purchaser.
- The tires were installed on your

personal vehicle

- and not used for commercial or fleet purposes.
- Tires were mounted as a full set of four (4) for passenger vehicles, or six (6) for light trucks with dual rear axle tire fitment.
 - Tires were not installed on three-wheeled vehicles, off-road vehicles, or non-standard configurations.
 - The warranty period begins at the date of installation, not the DOT manufacture date.
-
- Tires were used and maintained in accordance with Vredestein's guidelines and your vehicle manufacturer's specifications.
 - You provide proof of purchase and installation documentation.
 - This warranty does not cover:
 - Tires used on commercial vehicles, taxis, rideshare, delivery, or government vehicles.
 - Improper use, installation, or maintenance (e.g. misalignment, overloading, underinflation).
 - Damage from racing, off-road use, accidents, vandalism, or road hazards (unless covered under the Road Hazard Program).
 - Tires worn beyond 2/32" of tread depth or more than 8 years from their date of manufacture.

Your Responsibility

To ensure full warranty coverage and optimal performance:

- Rotate your tires regularly (every 6,000 miles).
- Maintain correct inflation pressure and alignment.
- Replace tires when worn, damaged, or older than 8 years from the manufacturing date.

Final Notes

This Limited Warranty is your exclusive remedy. No other warranty, verbal or written, expressed or implied — including merchantability or fitness for a particular purpose — applies.
